SPEAKERS

Maria Fiechter

A worshipper, speaker, and mother with a passionate heart for people. She loves to encourage others and inspire them toward an uncompromising life with Jesus. Together with her husband, she is actively involved in the Prayer House in Thun and Langnau, and is part of the worship collective Edenmusic.

Petra Koopman

A pastor and counsellor at the Hotel Ländli, a mother and grandmother — a woman who has walked through deep valleys. After the loss of her husband she had to face further profound life experiences that shaped her heart for the themes of inner healing, grief, and dignity. Today she walks alongside women on the journey of rediscovering their own dignity — through the eyes of Jesus.

— For all women — alone or with friends. —
